**Noida Management Association** is pleased to announce the commencement of a new batch of the Offline Certificate Course on **Business Responsibility and Sustainability Reporting (BRSR)**. This course is designed to equip industry professionals, researchers, academicians, students, and Company Secretary CS, Chartered Accountants (CA), Cost and Management Accountants (CMAs), MBAs with the necessary knowledge and skills to excel in the field of sustainability reporting.

### **Course Objective:**

- **Sustainability Defined:** Understand its core principles and why it's critical today.
- **ESG Reporting Evolution:** From voluntary to mandatory – MCA & SEBI's BRSR journey.
- **Global Standards Unpacked:**
  - International Integrated Reporting Council (IIRC)
  - Global Reporting Initiative (GRI)
  - UN Sustainable Development Goals (UNSDGs)
  - OECD Principles & More
- **COP Insights:** Latest updates from the Conference of Parties and their impact.
- **Net-Zero Consciousness:** Strategies to achieve net-zero goals in India and beyond.
- **Social Disparity:** Addressing equity and inclusion in ESG frameworks.
- **Governance Mechanisms:** Best practices in India and globally for accountability.
- **BRSR Excellence:** Craft impactful reports and prepare for Core Reasonable Assurance.

### **Course Structure:**

- **Dates:** 23rd & 24th May 2025
- **Timing:** 10:00 AM - 5:30 PM (IST)
- **Venue:** NMA House, C-20/6A, Sector - 62 Noida - 201301
- **Fees:** ₹4,500 (Inclusive of Course Fee, Lunch, Tea)
- **Target Audience:** Corporate Professionals, Executives, CS, CMA, CA, MBAs, PSU Employees, Sustainability Officers

**Unique Features:**

- Sector-Specific Focus: Tailored content for Carbon Intensive Industries like:- power, oil, cement, steel industries.
- Net-Zero Lens: Emphasis on decarbonization and emissions reduction.
- Simplified Learning: Complex concepts broken down with real-world examples.
- Hands-On Approach: Workshops, case studies, and group activities.
- Expert-Led: ESG experts from academia and industry.

**Who Should Attend:**

The course is tailored to suit the needs of a diverse audience, including -

- Corporate professionals from PSUs and private firms
- CS, CMA, CA, MBAs seeking ESG expertise.
- Sustainability, CSR, and Compliance Officers.
- Professionals in high-emission sectors aiming for net-zero transitions.

**Benefits:**

Participants can expect to gain both internal and external benefits from completing the course -

**Internal Benefits:**

- Develop a vision and strategy for sustainability within their organizations
- Improve internal management systems and processes
- Identify strengths and weaknesses related to sustainability practices
- Attract top talent and investors
- Gain a competitive advantage in the marketplace

**External Benefits:**

- Enhance transparency and stakeholder engagement
- Demonstrate commitment to sustainability to external stakeholders
- Enable comparability and benchmarking with industry peers
- Enhance brand reputation and trust

# PROGRAM MODULE DETAILS

**Day 1 - 23<sup>rd</sup> May 2025**

**Focus:** Foundations of Sustainability, ESG Evolution, Net Zero, and Practical Reporting

## **Inaugural Session Overview:**

### **Session 1: Introduction to Sustainability, SDGs, and ESG Evolution in India**

**Time: 10:30 AM - 12:30 PM**

#### **Topics:**

- Defining sustainability: Core principles and global context.
- UN Sustainable Development Goals (SDGs): Relevance to India's 2070 net zero vision.
- ESG evolution in India: From voluntary to mandatory frameworks.
- MCA's NGRBC Guidelines: Ethical business conduct and sustainability.
- SEBI Listing Conditions: BRSR framework and BRSR Core metrics (emissions, energy, waste).
- **Objective:** Establish a foundational understanding of sustainability and ESG, focusing on India's regulatory landscape.
- **Materials:** SDG Framework, NGRBC Document, SEBI BRSR Guidelines, Sample BRSR Report.

### **Session 2: Scope I, II, III Emissions, Carbon-Intensive Industries, and Net Zero Targets**

**Time: 12:30 PM - 1:30 PM**

#### **Topics:**

- Understanding Scope 1, 2, and 3 emissions: Definitions and examples.
- Challenges in carbon-intensive industries (power, oil & gas, steel, cement).
- India's net zero target (2070) and sector-specific commitments (Panchamrit goals).

- Strategies for net zero: Renewable energy, energy efficiency, and carbon offsets.
- **Objective:** Equip participants with knowledge to measure and manage emissions in high-impact sectors.
- **Materials:** Emission Calculation Templates, Case Study (NTPC's Renewable Transition).

### Lunch Break: 1:30 PM - 2:10 PM

## Session 3: BRSR Reports, ESG Tech Tools, Metrics, and Assurance Time: 2:10 PM - 3:10 PM

### Topics:

- Crafting BRSR reports: Structure, key sections, and metrics.
- ESG tech tools: Role of AI in data management (e.g., Sphera, Enablon).
- ESG metrics: Quantitative vs. qualitative reporting (GHG, water, diversity).
- Assurance certificates: Importance of third-party verification for credibility.
- **Objective:** Provide practical skills for BRSR reporting and leveraging technology for ESG compliance.
- **Materials:** BRSR Template, ESG Software Overview, Assurance Guidelines.

## Session 4: Practical Example - Analyzing an ESG Report from a Leading Company Time: 3:10 PM - 4:00 PM

### Topics:

- Case study: ESG Report Analysis (e.g., Tata Steel's 2024 Sustainability Report).
- Breakdown of key sections: Emissions, governance, social impact.
- Best practices: Transparency, stakeholder engagement, and materiality.
- Group activity: Identify strengths and gaps in the report.
- **Objective:** Learn from a real-world example to improve ESG reporting skills.
- **Materials:** Tata Steel ESG Report, Checklist for Report Analysis.

## Day 2 - 24<sup>th</sup> May 2025

**Focus:** Leadership, Climate Consciousness, Nature, and Assessment

### Session 5: Leadership Session - Responsibility and ESG-Conscious Leadership Approach

**Time: 10:30 AM - 11:30 AM**

#### Topics:

- Role of leadership in driving ESG transformation.
- Embedding ESG consciousness in industry practices (Power, Oil, Steel, Cement).
- ESG in top-end MSMEs: Scaling sustainability in smaller enterprises.
- Inspiring responsibility: Ethical leadership and stakeholder accountability.
- **Objective:** Develop leadership skills to champion ESG and sustainability initiatives.

### Session 6: ESG Climate Change Consciousness in Communities

**Time: 11:15 AM - 12:30 PM**

#### Topics:

- Raising climate change awareness in big housing societies and communities.
- General awareness among individuals: Simple actions for sustainability.
- Community-driven initiatives: Waste segregation, energy conservation, and green living.
- Role of corporates in fostering public consciousness (CSR initiatives).
- **Objective:** Highlight the importance of grassroots climate consciousness and corporate responsibility.
- **Materials:** Community Awareness Campaigns (e.g., DDA Housing Initiatives), CSR Examples.

## Session 7: Waste, E-Waste, Plastic Pollution, Marine Life, and Biodiversity

Time: 12:30 PM - 1:30 PM

### Topics:

- Managing waste: E-waste, plastic pollution, and circular economy principles.
- Impact on marine life: Plastic pollution and ocean health.
- Sustainability and nature: Plantations, animal welfare, and biodiversity conservation.
- Corporate role: Reducing waste footprints in carbon-intensive industries.
- **Objective:** Understand the broader environmental impact of ESG and actionable steps for nature conservation.
- **Materials:** E-Waste Guidelines (MoEFCC), Plastic Ban Policies, Biodiversity Case Study (Adani Ports).

**Lunch Break: 1:30 PM - 2:10 PM**

### Assessment, Q&A, and Quiz Session

Time: 2:10 PM - 3:00 PM

- **Q&A (10 minutes):** Open floor for participants to clarify doubts on any session topic.
- **Quiz (20 minutes):** 10 multiple-choice questions covering all sessions (e.g., SDGs, Scope 3 emissions, BRSR metrics, biodiversity).
- **Marks Allotted:** 10 marks (1 mark per question).
- **Passing Criteria:** 6/10 marks + attendance in all sessions for certification.
- **Objective:** Assess participants' understanding, encourage engagement, and certify their expertise.

## Closing Remarks & Certificate Distribution

Time: 3:00 PM - 4:00 PM

- Feedback from trainers on assignments and quiz performance.
- Certificate distribution for participants meeting criteria.
- Closing remarks by CS Deepak Jain & other ESG Experts on the role of ESG leaders in India's net zero journey.

Session will be delivered by ESG experts from Industry, Academia & Professional Institutions
